Dear Debra,

I received your package with the beautiful "twisted" belt and absolutely love it. The horsebit is a fantastic design and so pretty, and I'm a horse lover so it's very fitting.

I'm always reaching for that perfect belt to tie an outfit together, and this will certainly be the one. To top it off, your gift certificate is so generous - I can't wait to redeem it. You've really spoiled me and I thank you for your kindness and generosity.

Best,

Maria Shriver
